

Let us know if we are Not Fulfilling These Statements That Define Who We Are!

Vision Statement:

Community Spirit Bank is a positive team that works with integrity serving each customer with knowledge, pride, cooperation and respect. We strive to be innovative, adapting to change while efficiently maintaining the best interest of our customers, thereby exemplifying our "community spirit" every day.

Mission Statement

Our mission as a community financial institution is to develop and serve our communities, customers and employees with a caring attitude offering stability, integrity and fairness. We will be consistent with our policies, perform in a professional manner and be a progressive bank that offers the best personal service to our communities, customers, and employees, through honesty, unity, and mutually profitable service. Our purpose is to assist in adapting to the changing environment through the delivery of superior, innovative services that yield mutually profitable growth.
